# A cable tray manufacturer in Qatar

## Overview

Cable Tray Wire Supplier & Manufacturer in Qatar We are the leading cable tray & Wire supplier and manufacturer in Qatar and our objective is to offer high.

## Key Takeaways

Qatar has several reputable cable tray manufacturers and suppliers, including Electra, ServeGas, Adastra WLL, Altura Industries, and Brilltech Engineers, offering a wide range of cable management solutions.

### Leading Cable Tray Suppliers

Electra is a well-established supplier in Qatar, offering a variety of cable trays and accessories such as wire mesh basket trays, GI conduit, cable ladders, and heavy-duty trays with or without covers. Their products are available in pre-galvanized, hot-dip galvanized, and epoxy-coated finishes, suitable for residential, commercial, and institutional projects.

### Serve

Gas provides cable tray systems designed for easy access and organization of electrical, control, and telecommunication cables. Their trays support high-voltage power lines, fiber optic cables, and other wiring, ensuring efficient cable management and future expandability.

## Adastra WL

L specializes in premium cable mesh tray systems, durable covers, and accessories. They manufacture perforated and solid metal trays that comply with international standards, suitable for industrial, commercial, and residential applications. Altura Industries manufactures cable trays, ladders, and wire mesh systems designed for smooth cable pulling and compliance with BS EN 61537: 2007.

They offer GRP/FRP trays for corrosive environments and provide a wide range of accessories for MEP contractors. Brilltech Engineers Pvt. Ltd. supplies galvanized, ladder, perforated, and raceway cable trays.

They provide custom designs, high-quality materials like stainless steel and aluminum, and support installation and system design for industrial, commercial, and data center applications.

## Additional Suppliers

Other notable suppliers include Delta Cable Tray by Transpower Qatar, offering metallic trays with easy installation features, and Jeetmull Jaichandlall (P) Ltd., known for wire mesh and netting cable trays. A broader directory of cable tray suppliers in Qatar can be found on business listings like QatarLoving, which lists multiple verified companies. Considerations When Choosing a SupplierMaterial and Finish: Options include galvanized steel, stainless steel, aluminum, and GRP/FRP for corrosive environments.

Tray Type: Ladder, perforated, solid, wire mesh, or raceway depending on airflow, load, and installation requirements. Compliance: Ensure products meet international standards such as BS EN 61537 or QCS2014. Customization: Some suppliers offer tailored solutions for specific project needs.

Support Services: Installation guidance, system design, and after-sales support can be critical for large projects. These suppliers provide comprehensive solutions for cable management in Qatar, catering to industrial, commercial, and residential projects.
