Australian Smart PDU for Sale

Overview

Explore a wide range of our Smart Pdu selection. Find top brands, exclusive offers, and unbeatable prices on eBay Australia. Max $300 off PowerShield Navigator Smart PDU, includes PSSNMPv4, 15Amp input, 8 x C13 outp. PowerShield's range of PDU's covers basic and metered PDUs (Unmanaged), through to a complete range of intelligent (Managed) PDUs. While Unmanaged PDUs offer simple and economical power distribution, Managed PDUs deliver real-time power information with intelligent functionality that allows. Intelligent PDUs (Power Distribution Units) are advanced power rails designed to provide visibility, control, and protection for critical electrical loads in data centres, server rooms, industrial environments, and mission-critical installations. Unlike standard power strips, basic PDUs are devoid of surge protection, but they provide essential electrical outlets for data center.
