Botswana electrical distribution box manufacturers

Overview

Powacom Group – Power for youWe are a group comprised of four key departments specializing in manufacturing, supply, installation and maintenance of electr.

Key Takeaways

Key manufacturers of electrical distribution boxes in Botswana include Lesedi Boards (Sharps Electrical), Powacom Group, and VAL DOR Electrical Switchboards, all offering locally produced switchboards, distribution boards, and related enclosures. Lesedi Boards – Sharps ElectricalBased in Gaborone, Lesedi Boards produces electrical distribution boards, distribution pillars, metering kiosks, and motor control centers. The company follows an in-house ISO 9000 quality assurance system and adheres to NOSA safety procedures.

They also manufacture, test, and commission automation control equipment, emphasizing design excellence, customer service, and ethical practices. Lesedi Boards is recognized as one of the most reliable switchboard and motor control center manufacturers in Botswana.

Powacom Group

Powacom Group operates through Powaman Electrical Manufacturers (PTY) LTD, providing DB boards, feeder pillars, ventilation vents, and air-conditioners. They specialize in manufacturing, supply, installation, and maintenance of electrical components. The company employs over 150 staff, with more than 95% being local experts, and focuses on high-quality products and services that meet international standards.
