Customized distribution boxes from Bulgarian manufacturers

Overview

Custom Premium and Basic Boxes in Bulgaria | GPTS BOXESGPTS BOXES develops custom Premium rigid boxes and Basic cardboard and corrugated boxes for Bulgaria.

Key Takeaways

Top Bulgarian manufacturers for customized distribution boxes include Polycart, Gammapack, Luxpac, and Packconsult Bulgaria, offering tailored packaging solutions for B2B clients.

Leading Manufacturers

Polycart is a major custom boxes producer in Bulgaria, serving the European B2B market. They specialize in litho-laminated packaging, industrial-strength corrugated structures, and luxury offset printing. Polycart produces millions of units annually, from micro-flute electronics boxes to heavy-duty industrial shipping containers, providing factory-direct pricing, rapid lead times, and structural design support for brands and distributors.

Gammapack Bulgaria manufactures high-quality die-cut boxes and corrugated cardboard packaging. They offer intricate shapes, self-locking mechanisms, and integrated display features, with options for E, B, C, and BC-flute thicknesses suitable for cosmetics, electronics, fragile items, and heavy-duty shipping. Gammapack also provides full packaging lifecycle services, including 3D modeling, sample making, and graphic design.

Luxpac focuses on luxury and bespoke packaging solutions, including folding boxes, round boxes, and high-end materials. They combine advanced technology with premium materials to deliver tailored packaging that meets client specifications, ideal for brands seeking visually striking and functional boxes. Packconsult Bulgaria offers fully custom cardboard and corrugated packaging, as well as tailor-made POS and advertising displays.

They provide design support and production for both small and large-scale orders, catering to diverse industries.

Services and Capabilities

Custom sizes and shapes: Die-cut, self-locking, and specialty boxes. Materials: Corrugated cardboard, paperboard, luxury laminated finishes. Printing: Offset, flexo, and high-resolution litho-laminated printing.

Production volumes: From small runs (1,000 units) to high-volume industrial orders (up to 1 million units). Design support: Structural engineering, 3D modeling, sample creation, and graphic design. Delivery: Factory-direct EU shipping, rapid lead times, and logistics support.

These manufacturers provide comprehensive solutions for companies needing customized distribution boxes for retail, industrial, or luxury packaging applications, ensuring both functional protection and brand presentation.
