Dimensions of ZAL Distribution Box

Overview

Cable distribution cabinet 1355x1110x315mm ZAL84U – Hager – 3250611073192: The ZAL84U cable distribution cabinet, measuring 1355 x 1110 x 315 mm, is a robust and spacious empty cabinet made of fiberglass-reinforced polyester. Observe any deviating country-specific electrical installation standards and regulations and seek advice from a local electrician. In addition, observe more current safety instructions and regulations for the products on the manufacturer's side or the product descriptions and installation. Ventilation takes place via labyrinth-like ventilation ducts and is puncture-proof due to the ingress of foreign bodies. Note: Depending on the model, the cable distribution cabinet can be permanently mounted with a buried base, floor-mounted base or wall bracket (for indoor use only). Hager ZAL100 cable distribution cabinet. Specifications may include unverified machine translations.
