Tech: Established in 1978, this company produces a wide range of certified electronic wires and cables, continuously innovating to meet evolving client needs. Lorom Industrial Co., Ltd.: Vertically integrated manufacturer of cable and cable assembly products, emphasizing quality, rapid delivery, and comprehensive engineering support for optical cable applications. King Lai Electronics Co., Ltd.: Offers optic fiber cables with practical performance and competitive pricing, catering to diverse customer requirements and maintaining a strong international reputation.

Trade Platforms for Direct Sales

Taiwantrade: Provides a list of 23 optical fiber suppliers with 48 products. Users can submit trade inquiries, request quotations, and schedule online meetings with suppliers for direct purchasing. Trademo: Offers detailed shipment data, trade volumes, and supplier contacts for optical cable manufacturers in Taiwan.

This platform is useful for sourcing, due diligence, and identifying global buyers.

Global

Spec: Lists Taiwanese fiber optic cable suppliers with interactive maps and company profiles, facilitating direct contact and product inquiries.

Recommendations for Direct Purchasing

Identify your product specifications: Determine the type of optical cable (single-mode, multi-mode, APC connectors, patch cords) and performance requirements. Use trade platforms: Submit inquiries via Taiwantrade or Trademo to connect directly with manufacturers. Verify certifications: Ensure suppliers meet relevant standards such as Telcordia, IEC, or ISO certifications for quality assurance.

Request samples: Before bulk orders, request product samples to verify quality and compatibility. Negotiate terms: Discuss pricing, lead times, and shipping options directly with the manufacturer to secure favorable terms. By leveraging these manufacturers and trade platforms, you can establish direct sales relationships with Taiwanese optical cable suppliers for high-quality, customizable products.
