Distribution box circuit breaker kit model and specifications

Overview

●Series:SHT ●Material:ABS ●IP Rating:IP65 ●NEMA Rating:4X ●Color:Light Grey ●Application:Outdoor●Series:SHT ●Material:ABS ●IP Rating:IP65 ●NEMA Rating:4X ●Color:Light Grey ●Application:OutdoorGFCI breaker robust with test and reset buttons to protect against ground faults, offering full protection against ground faults. Schroff GFCI Circuit breakers fit into 19" distribution box or small distribution module. Lead Time – View accurate lead times to plan your delivery expectations. These features include a design that meets multi-national stan-dards, is suitable for DIN rail or base mounting without the need for adapters, and includes CSA Certified UL Listed field installable accessories. They contain either a main breaker when used at the service entrance point or a main lug when used as a sub-panel to add circuits to existing. standard to the most technologically advanced, thanks to the extraordinary fullness of their range. They provide a complete offering up to 250A for distribution, for energy meter ng, for motor protection, for generator protection, as switch-disconnectors and for any other needs. They are UL® Listed under File E33139 and marked cULus. NF circuit breaker panelboards accept EDB, EGB, and EJB branch circuit breakers.
