Fiber Optic Communication Cable Manufacturers

Overview

This list incorporates leading players, including Dekam-Fiber, Corning, Prysmian, and CommMesh, which stand out for their contributions to high-performance cables.

Key Takeaways

Leading fiber optic cable manufacturers include Prysmian, Corning, Nexans, YOFC, and HFCL, offering global solutions for telecommunications, data centers, and industrial networks.

Global Leaders

Prysmian Group: Headquartered in Italy, Prysmian is the largest fiber optic cable manufacturer worldwide, producing optical fibers, submarine cables, and fire-resistant solutions. Their products support 5G networks, long-haul submarine links, and high-capacity data infrastructure, with low attenuation and high tensile strength for reliable performance. Corning Incorporated: Based in the U.

S., Corning specializes in high-purity glass fibers and photonic components.

Known for Clear

Curve bend-insensitive fibers, they serve data centers, FTTH deployments, and 5G infrastructure globally. Nexans: A European manufacturer, Nexans produces CPR-compliant cables that meet stringent fire safety standards, suitable for indoor and outdoor telecom installations.

YOF

C (Yangtze Optical Fibre and Cable): A Chinese company with a global presence, YOFC manufactures high-density fiber cables for telecom operators and enterprise networks, emphasizing sustainable production and innovation.

HFC

L: An Indian manufacturer providing cost-effective, high-density fiber cables, particularly for rural broadband and emerging markets, with a focus on sustainable production.

Notable European Manufacturers

Tratos Group (Italy): Offers industrial, residential, and subsea fiber optic cables, with a strong R&D focus and sustainable production processes.

TK

H Group (Netherlands): Provides advanced connectivity solutions, including industrial and telecom fiber optic cables, with high reliability and performance.

WEINERT Industries A

G (Germany): Specializes in singlemode, multimode, and radiation-hard fibers, as well as custom fiber bundles and assemblies for diverse applications. Upcom Technologies (Turkey): Produces FTTH, data center, and telecom cables with rigorous testing and certification standards. Samm Teknoloji (Turkey): Focuses on indoor/outdoor fiber optic cables and passive network infrastructure components.

Other Key Manufacturers

Industrial Fiber Optics (U. S.): Specializes in medical, industrial, and harsh-environment fiber cables.

OC

C (U. S.): Produces rugged cables for military and telecom applications. Mitsubishi (Japan): Advanced polymer-based fibers with eco-friendly production.

OPTRA

L (Europe): Custom low-loss, high-durability cables, expanding into 5G solutions. Incab (Russia): Offers over 100 cable designs for telecom, power, and oil & gas industries. Dys Fiber Optic (China): Manufactures indoor/outdoor cables, connectors, and data center solutions.

Shenzhen Necero (China): Provides optical cables and components for high-speed data transmission, with OEM/ODM services.

The World''s Top 20 Fiber Optic Cable Manufacturers

Reason for Top 20 Ranking: OCC''s strong influence in delivering reliable, rugged fiber optic solutions for military and commercial applications

27 Leading Fiber Optic Cables Companies Shaping the Global Market ...

This article spotlights 27 companies shaping connectivity''s future, backed by insights from the Fiber Optic Cables Market by Product, Product Type, Cable Installation, Fiber Type, Delivery, Buyer -

Top 20 Fiber Optic Cable Manufacturers in the World (2025)

This list incorporates leading players, including Dekam-Fiber, Corning, Prysmian, and CommMesh, which stand out for their contributions to high-performance cables.

10 Best Fiber Optic Manufacturers for 2026

This comprehensive guide examines the top fiber optic cable manufacturers delivering high-performance fiber optic cables and optical fiber solutions that enable lightning-fast data

Fiber Optic Manufacturers Checklist | PHILISUN

Use this checklist to compare fiber optic cable manufacturers for quality control, custom assemblies, testing, labeling and project support.

Top 24 Fiber Optic Cable Manufacturing Companies

If you want to find more companies that provide optical cables and connectors you can do so with Inven. This list was built with Inven and there are hundreds of companies like these globally.

China 24 Core Outdoor Fibre Optic Cable

Shenzhen Optico Communication Co., Ltd. is one of the most credible manufacturers and suppliers of 24 core outdoor fibre optic cable in China. Please

Fiber Optic Cables | Corning

Corning''s invention of the first low-loss optical fiber ignited the critical spark that began a communications revolution that forever changed the world. Today, there
