Fiber optic coupler flange sc

Overview

This SC Simplex Singlemode Coupler / Mating Sleeve is designed to couple together simplex SC UPC patch cables or connectors. Features:Corning offer a wide range of RoHS compliant SC couplings for all applications in Primise and FTTX networks. All couplings comply with the corresponding Standards IEC 61754-4 and GR-326 for single-mode and multimode technology. The L-com FOA-975 is designed for use with single mode fiber, and is offered in a blue body, to designate its usage when installed. 7mm spacing between the fibers, low profile and compatibility with the flexible F-type. This coupler has a flange as well as stainless steel mounting clips and is offered in an aqua body, to. Fiber optic adapter (also called flange, coupler) is a fiber optic connector docking components, including FC, SC, ST, LC, MTRJ, MU and switching between products such as ST-SC, FC-ST etc. Features: Our team processes your order within 24.
