Fiber optic port of Dutch Mosa switch

Overview

2 Single-Mode Fiber Optical Ports: Equipped with two single-mode fiber optic ports, this switch offers extended network reach and stable long-distance communication, making it perfect for remote industrial sites. With a reach of up to 10 kilometers, the SFP-1GLXLC allows you to extend your network connectivity over fiber optics, making it an essential component. The EDS-518A standalone 18-port managed Ethernet switches provide 2 combo Gigabit ports with built-in RJ45 or SFP slots for Gigabit fiber-optic communication. Redundant Ethernet technologies such as Turbo Ring, Turbo Chain, and RSTP/STP increase the reliability of your system and improve the availability of your network backbone. Moxa provides a wide range of PoE/PoE+ switches with up to 48-port fiber optic Gigabit PoE+ ports and up to 60 W output per port to deliver high-speed data transmission while powering high-power devices over long distances. With an industrial-grade design, our PoE switches provide surge protection.

Article Content

MOXA Mosa Mosa/MOXA 10km single-mode SFP optical port module

This switch features 2 fiber optic ports, making it an ideal choice for applications that require high-performance data transfer across long distances without signal loss.

EDS-518A Series

The EDS-518A switches also support advanced management and security features. The EDS-518A standalone 18-port managed Ethernet switches provide 2 combo

MOXA EDS-4014 8+4G+2 2.5GbE-port managed

The EDS-4014 Series is a range of 14-port managed Fast Ethernet switches with four 1 Gbps and two 2.5 Gbps fiber-optic ports.Redundant Ethernet technologies

Moxa EDS-408A 3 Fiber Series Managed Industrial

The unique 3 fiber port feature makes the EDS-408A 3 Fiber series ideal for industrial applications, such as widely dispersed wind farm networks that need

EDS-4014 Series

The EDS-4014 Series is a range of 14-port managed Fast Ethernet switches with four 1 Gbps and two 2.5 Gbps fiber-optic ports. Redundant Ethernet technologies

Ethernet Switches

Moxa provides a wide range of PoE/PoE+ switches with up to 48-port fiber optic Gigabit PoE+ ports and up to 60 W output per port to deliver high-speed data

MOXA EDS-408A-SS-SC Industrial Ethernet Switch | 8-Port Managed

With eight 100-Megabit Ethernet ports and two single-mode fiber optical ports, this switch supports high-bandwidth applications while providing long-distance connectivity through fiber optics.

EDS-205A/208A Series

These switches have been designed for harsh industrial environments, such as in maritime (DNV/GL/LR/ABS/NK), rail wayside, highway, or mobile applications(EN 50121-4/NEMA TS2/e

10 port managed Ethernet to multimode fiber optic

The EL-1000-4GM is a 10-port managed Industrial Ethernet Layer 2 switches. Compact Ethernet switch with 2 fiber optic and 8 RJ45 ports which support

EDS-208A-MM-SC

© 2026 EXF OPTICAL NETWORKS - All rights reserved

Ethernet network switch - ATEX / IECEx compliant - MOXA (EDS-208A series) - with 6 x RJ45 copper connectors 10/100BaseT (X) + 2 x Multi-mode SC fiber optic (FO) connectors 100BaseFX - Supply

Moxa EDS-208A-M-SC Industrial Ethernet Switch | 8 Ports, Fiber Optic ...

Discover the Moxa EDS-208A-M-SC 8-Port Non-Network Managed 100-Megabit Industrial Ethernet Switch. Ideal for industrial environments, it offers high-speed data transfer, fiber optic connectivity,

Layer 2 Managed Switches

Moxa''s Layer 2 managed switches feature industrial-grade reliability, network redundancy, and security features based on the IEC 62443 standard. We offer

MOXA EDS-208A-M-ST 8-Port Industrial Ethernet Switch | Single

Shop the MOXA EDS-208A-M-ST, an 8-port non-managed industrial Ethernet switch with single-mode fiber optic connectivity for long-distance communication. Reliable, high-speed, and ideal for factory

PT-7528 Series

The wide range of PT-7528 models available support multiple types of port configuration, with up to 28 copper or 24 fiber ports, and up to 4 Gigabit ports.

PoE Switches

We provide a wide range of PoE/PoE+/PoE++ switches with up to 90 W output per port to deliver high-speed data transmission while powering high-power devices

MOXA EDS-408A-SS-SC Industrial Ethernet Switch | 8-Port Managed

Discover the MOXA EDS-408A-SS-SC, an 8-port managed industrial Ethernet switch with fiber optic connectivity, designed for demanding industrial applications. Learn more about its features,

EDS-205A/208A Series

Fiber Ports: 100BaseFX ports (SC/ST connector, multi-mode, single-mode) DIP Switches: Enable/Disable broadcast storm protection 1 The EDS-205A/208A switches are available with a

MOXA IMC-21-S-SC Media Converter | Middle East

MOXA IMC-21-S-SC Introduction The Moxa IMC-21-S-SC Ethernet-to-fiber converter is an advanced solution for industrial applications that require reliable
