The company emphasizes high corrosion resistance, long service life, and reliable performance in industrial and commercial applications.

International Trade and Services

Hezheng actively exports its cable management systems and provides customized solutions to meet client specifications. The company offers technical support, installation guidance, and after-sales service, making it suitable for large-scale projects in construction, industrial plants, and infrastructure. Additionally, Hezheng maintains partnerships with steel structure processing plants and electrical companies to ensure consistent production capacity and quality control.

Business Opportunities

Hezheng products are available for bulk purchase and international distribution, connecting with verified buyers and importers worldwide. The company's focus on innovation, anti-corrosion technology, and comprehensive service makes it a reliable partner for industrial, commercial, and municipal projects. In summary, Hezheng Group is a reputable manufacturer of power cable trays and related systems, offering a broad product range, international certifications, and strong support for global clients in diverse industrial and construction sectors.
