High-precision connectors from ESCON Thailand

Overview

Mouser offers inventory, pricing, & datasheets for ESCON Connectors. Suite 707 Bangkok TowerESCON Connectors are available at Mouser Electronics. 3-10 connectors offer very low PIM performance together with weight and compactness advantages. A key feature of this connector is the separation of the electrical and mechanical plane, which results in a lower coupling torque and the possiblility of offering the connector with screw, hand-screw. We are manufacturer and distributor of static control safe productsused in either electronic related industries. They are, for example, wrist strap,heel strap, grounding accessories, such as male female. We produce and export the following products as reasonable price. Find and discover Connector manufacturers and suppliers for all products in Thailand, featuring details on their shipment activities, trade volumes, trading partners, and more.
