How much does a Huijue national standard 4-core optical cable cost

Overview

00 per ft depending on terrain, access, and required precision for termination. Total ≈. Typical rates range from $0. Total ≈. Want to enjoy flying net speeds at home or in the office?

this 10g multi-mode optical cable from huajie hengxun is definitely your first choice!□ Whether it is connected to a router, switch or server, it can provide stable 10g transmission speed, so that your game loading, video playback, file. The 4 Core Fiber Cable is an essential part of our Optical Fiber offerings. Focus on optical fiber performance metrics, guaranteed by factory wholesale suppliers and famous brand OEM partnerships. Our comparison guide covers top distributor reliability, recent price shifts, and customization. The fiber optic cable of the 4 core type has an attenuation of about 0. The bandwidth ranges from 500 megahertz per kilometer to 1000 megahertz per kilometer for multimode and over 100 gigahertz for single mode. A 48-core cable isn't exactly double the price of a 24-core cable, because the manufacturing process (extrusion) costs remain similar. Suitable for FTTX outdoor use, available in bulk with minimum order of 10 units.
