Huawei IT Product Line Data Center Solution

Overview

Barcelona, Spain (ANTARA/PRNewswire)- At MWC Barcelona 2025, Huawei unveiled four New-Gen All-Flash Data Center products and two scenario-specific industry solutions designed to help customers build future-proof data storage power, accelerate intelligent transformation . Barcelona, Spain (ANTARA/PRNewswire)- At MWC Barcelona 2025, Huawei unveiled four New-Gen All-Flash Data Center products and two scenario-specific industry solutions designed to help customers build future-proof data storage power, accelerate intelligent transformation . In recent years, the rapid progress of AI has prompted various industries to shift focus from digitalization to digital and intelligent transformation. Data centers, as an important carrier of next-generation ICTs like cloud computing, have become the core of modern digital and intelligent. DUBAI, UAE, May 14, 2025 /PRNewswire/ -- On May 13, 2025, the Global Data Center Facility Summit 2025 themed "Power the Digital Era Forward" was held in Dubai. The summit brought together more than 500 intelligent computing industry leaders, technical experts, and partners to discuss new growth. Huawei pushes AI-ready data centers – The Chinese vendor highlights compute clusters, data lakes, and elastic facilities to address growing AI workloads. Networks face AI inflection point – New AI Fabric 2. 0 architecture targets automation, reliability, and seamless service continuity. AI data. Network service (CloudDCN): CloudDCN provides the network for the CloudDC zone and connects the zone with VPCs on Huawei Cloud. Deploy your AI devices in our data centers to utilize Huawei Cloud's technologies and service capabilities to seamlessly integrate your AI devices with Huawei Cloud. Including New-Gen OceanStor Dorado converged all-flash storage for mission-critical applications, OceanStor A800 New-Gen AI Storage for large AI model training, OceanStor Pacific 9928 all-flash scale-out storage for data analysis, OceanProtect E8000 all-flash backup storage for data backup. Themed 'All Intelligence,' Huawei Connect 2025 was held in Shanghai World Expo Exhibition & Convention Center (SWEECC).
