Huijue Panel Network Cable Fiber Optic Cable

Overview

Explore our Fiber Optic Cable collection, featuring main products like Optical Splitter, Fiber Patch Cord, and 695+ more items from Hai''an Huijue Network Communication Equipment Co., Ltd. on Alibaba .

Key Takeaways

Huijue offers high-quality fiber optic panel network cables and related components for telecom and data network solutions.

Manufacturer Overview

Huijue Network Communication Equipment Co., Ltd., headquartered in Shanghai with production facilities in Jiangsu, is a leading manufacturer of fiber optic and network communication products. Established in 2001, the company specializes in telecom cabinets, fiber optic patch cords, optical splitters, and network panels, serving both domestic and international markets. Their products comply with international standards and undergo rigorous quality testing, including environmental adaptability from -40°C to 85°C.

Product Features

Huijue fiber optic panel network cables are part of a complete ODN (Optical Distribution Network) solution, which includes: Fiber optic panels and distribution boxes for organized cable management Patch cords and MPO cables for high-speed connectivity Optical splitters and couplers for signal distribution, available in PLC, fused, and planar waveguide types Network cabinets and ODFs for secure housing of fiber connections The panels support single-mode (SMF) and multi-mode (MMF) fibers, including G. 652 and G. 657 standards, and are compatible with indoor, outdoor, and flexible cable types.

Applications

Huijue fiber optic panels and network cables are widely used in: FTTH (Fiber to the Home) deployments5G fronthaul networksData centers and enterprise networksTelecom operator infrastructure The company has deployed over 2 billion ODN devices across multiple national operators, demonstrating reliability in large-scale network projects.

Ordering and Customization

Huijue provides OEM/ODM services, allowing customization of fiber optic panels, patch cords, and network solutions. Orders can be as small as a single piece, and samples are available before bulk purchase. They also offer rapid delivery with dual production bases supporting 72-hour emergency shipments.

Summary

Huijue fiber optic panel network cables are high-quality, standards-compliant, and versatile, suitable for telecom, 5G, and enterprise network applications. With full ODN integration, customization options, and global export experience, Huijue provides a reliable solution for both small-scale and large-scale fiber optic deployments.
