Indian Low Voltage Galvanized Cable Tray Manufacturer

Overview

Find here Galvanized Cable Trays, Galvanized Steel Cable Tray manufacturers & OEM manufacturers in India.

Key Takeaways

Leading Indian manufacturers of low voltage galvanized cable trays include Ajay Industrial, ELCON Global, and KP Green Engineering, offering durable, corrosion-resistant solutions for industrial and commercial applications. Key Manufacturers1. Ajay Industrial Corporation Limited (AICL) AICL is an ISO-certified manufacturer providing a wide range of cable trays suitable for low voltage and communication cables.

Their galvanized cable trays are made from HR sheet, GP sheet, Galvalume, stainless steel, and aluminum, with finishes including hot dip galvanized, painted, and powder coated. They offer perforated trays for ventilation and drainage, with customizable widths (25–1500mm), depths (25–150mm), thicknesses (0. 9–3mm), and lengths (2.

5–3m) to meet project requirements (Ajay Industrial). 2.

ELCO

N Global Based in Pune, Maharashtra, ELCON Global manufactures ladder and perforated cable trays in materials such as steel, aluminum, and stainless steel. Their steel trays are available in hot dip galvanized, pre-galvanized, painted, and powder-coated finishes, compliant with IS 4759 and 2629 standards. They also provide complete accessory sets including bends, tees, reducers, and couplers, allowing for modular installation and customization in length, width, height, and thickness (ELCON Global).

3.

KP Green Engineering K

P Green Engineering offers industrial-grade cable trays with high load capacity and corrosion resistance. Their product range includes perforated and ladder-type trays made from mild steel, pre-galvanized steel, and FRP, with hot dip galvanized finishes for indoor and outdoor protection. Custom sizes are available for thickness (1.

6–3mm), width (50–1200mm), and side rail heights (50–150mm). They also provide modular support systems and accessories for bends, elbows, risers, and tees, suitable for manufacturing plants, data centers, substations, and solar installations (KP Green Engineering).

Additional Supplier Resources

For a broader list of galvanized cable tray manufacturers and suppliers across India, platforms like IndiaMART and TradeIndia provide verified contacts and product catalogs, including GI cable trays and pre-galvanized options (IndiaMART, TradeIndia).

Summary

These manufacturers provide low voltage galvanized cable trays that are durable, corrosion-resistant, and customizable for industrial, commercial, and infrastructure projects. Key considerations when selecting a supplier include material type, finish, tray type (perforated or ladder), load capacity, and compliance with Indian standards.
