Indian optical module equipment company

Overview

India Optel Limited, a fully owned Government of India, Enterprise, under Department of Defence Production, Ministry of Defence has been incorporated to achieve self-reliance in the field of Optoelectronics solutions for Armed Forces, and Paramilitary Forces of Ministry of Home. India Optel Limited, a fully owned Government of India, Enterprise, under Department of Defence Production, Ministry of Defence has been incorporated to achieve self-reliance in the field of Optoelectronics solutions for Armed Forces, and Paramilitary Forces of Ministry of Home. Founded in 1985 and headquartered in Bangalore, Optics and Allied Engineering Pvt. (OPTICA) is a pioneer in precision optics and electro-optic system integration. With a state-of-the-art 60,000 sq. Check out our product list to make sure you get the right product at economical. General Optics (Asia) Limited (GOAL) is a closely held Public Limited Company (Joint Stock Company) run by a Board of Directors chaired by Mr. Murali who is also the founder of the company. GOAL was incorporated in 1982 and has been manufacturing and exporting precision optical systems and. Photonics India offers total solutions to the Industry, research & development sector using Optics and electro-optics principles. Photonics India offers optics & electro-optics materials, components, test systems & customized solutions Our Shack Hartmann Wavefront Sensors measure the wavefront. Thousands of free content resources all easy to navigate and sorted by topic and media type. All Catalogs We are Hiring! Home | INDIA OPTEL LIMITED (IOL)

India Optel Limited, a fully owned Government of India, Enterprise, under Department of Defence Production, Ministry of Defence has been incorporated.

Optics Products Manufacturer & Supplier

We are a leading optics products manufacturer and supplier in India that provides optical lenses, mirrors, beam splitters, prisms, and telecentric lenses at

General Optics (Asia) Limited (GOAL)

GOAL was incorporated in 1982 and has been manufacturing and exporting precision optical systems and components since 1984. Our expertise is in the manufacture of custom precision optical

photonics india

Photonics India offers optics & electro-optics materials, components, test systems & customized solutions. Our Shack Hartmann Wavefront Sensors measure the wavefront quality of lenses, mirrors,

Optics Manufacturer & Supplier | Imaging Lens & Laser

Copyright 2026, Edmund Optics India Private Limited, #267, Greystone Building, Second Floor, 6th Cross Rd, Binnamangala, Stage 1, Indiranagar, Bengaluru,

Precision optics, optical instruments, vision systems

Headquartered in Bangalore, India, we design, develop, manufacture, and distribute optical components and assemblies. We are using the latest processes and

Microscope Manufacturers & Suppliers in India | IMOS

Discover our precision optical devices collection, lab apparatus and other microscopes, carefully engineered to achieve limitless reliability and

BEL Optronic Devices Limited – BEL

BELOP was established in 1990 at the instance of Indian MoD for research, development, manufacture and supply of state-of-the-art Image Intensifier (II) Tubes and its associated High Voltage Power

Precision Optical Components,Optical Metrology Instruments

Prisms India manufactures a wide range of products such as Optical Metrology Instruments, Optical Components & Research Kits. These Products are designed by the company''s R&D team of experts.

Laser Equipment Suppliers (Indian)

Laser Equipment Suppliers (Indian) Laser Equipment Suppliers (Indian) This section lists the names and other relevant information of laser related equipment suppliers. Laser equipment manufacturers /

Fiber Optic Products in India| Fiber Optics Supplier

Eagle Photonics Pvt Ltd was established in the year 2002, Bangalore. It is one of the leading Fiber Optics Company in India. It is a unique TRAINING & TRADING

Top 28 Optical Communication Systems Companies

Explore the top optical communication systems companies, including Acacia and Source Photonics, leading advancements in connectivity solutions.

Coherent Market Insights: Market Research and B2B

Coherent Market Insights provides Market Research, Customized Research, Business Intelligence, B2B Consulting, and Advisory Services to

Manufacturers of SFP Optical Transceiver Module in India

The production of optical transceivers, a complex technology involving the integration of optics, electronics, and mechanical components, has gained

SFP Optical Transceiver Products | Syrotech Networks

Syrotech Networks is market leader in manufacturing and supplier of sfp module, optical transceiver, sfp port, sfp optical transceivers, fiber sfp.

India Optical Communication and Networking Equipment Market

The India Optical Communication and Networking Equipment Market is pivotal in supporting the country''s telecommunications infrastructure. It encompasses fiber optics, optical networking

Top Photographic & Optical Equipment companies in India

Top Photographic & Optical Equipment companies in India - June, 2025 Listed below are the leading companies in India by revenue as of June 2025. With $263M in revenue, Canon India is ranked first

Optical Instruments Manufacturers in India

Find here Optical Instruments manufacturers & OEM manufacturers in India. Get Contact details & address of companies manufacturing and supplying Optical Instruments across India.
