Intelligent Quotation for Integrated Container Racks

Overview

Smart Quotation is an AI-powered platform that streamlines freight quoting by centralizing RFQs, automating rate validation, and enabling instant, formatted responses—cutting manual work, reducing errors, and boosting win rates in container shipping. Everything you need to automate your sales quotations for tank container operating. The software stores agreed vendor tariffs to ensure accuracy and reduce the time spent. ECLIPS offers a range of flatracks, logistics platforms and fully Intelligent Load-Handling System (ILHS) / Demountable Rack Offload and Pickup System (DROPS) / Palletised Load System (PLS) compatible containers. In addition to off-the-shelf platforms, we also supply purpose-built logistics. Our systems include long span and flow racking, mobile racking for light to medium loads, mobile racking for tires and storage solutions for hanging goods and hazardous materials. Energy Storage Container is also called PCS container or battery Container. It. Modul-System's container solutions combine our racking systems with various types of containers to suit your specific requirements.
