K Iraq manufactures cable trays and cable ladders in various sizes and thicknesses, offering complete accessories for secure installation, flexible routing, and easy maintenance for both indoor and outdoor applications (RAK Iraq). Rojman Company, established in 1998 in Erbil, Iraq, provides all types of electrical materials, including cable trays, wires, high and low voltage columns, and transformers. They operate across Iraq and offer contracting services, making them a reliable partner for both supply and installation (Rojman Company).

Considerations for Choosing a SupplierProduct Range: Ensure the supplier offers the type of cable tray system you need, such as ladder, perforated, or trunking systems. Customization: Some manufacturers, like Kanza Iraq, provide custom solutions tailored to project specifications. Technical Support: Suppliers with technical teams can assist with design, installation, and compliance with local standards.

Delivery and Availability: For large-scale projects, consider suppliers with consistent supply and timely delivery. Local Presence: Companies with branches across Iraq, like Rojman Company, can provide faster service and support. These suppliers collectively cover a wide spectrum of cable tray solutions suitable for industrial, commercial, and infrastructure projects in Iraq.
