Sati Italia S.p. A Sati Italia, recently acquired by DKC Europe, manufactures high-quality cable trays and related accessories. Their logistics network ensures rapid delivery and support for direct sales across Italy.

4.

Zamet SPA Zamet SP

A provides versatile and functional industrial cable conveyance systems. Their products are recognized globally and are suitable for fiber optic cable installations in demanding environments. 5.

DKC Europe DK

C Europe designs and produces cable drag systems and protection solutions. They offer innovative, reliable cable trays and accessories for industrial and civil applications, supporting direct sales and project-specific customization.

Additional Options

For a broader selection of Italian fiber optic manufacturers and suppliers, platforms like Europages list over 60 companies where you can contact suppliers directly for B2B transactions, including fiber optic cables and cable trays.

Considerations for Direct Sales

Customization: Many Italian manufacturers offer tailored sizes and configurations to fit specific project requirements. Compliance: Ensure products meet EN, UL, or other relevant standards for safety and performance. Technical Support: Leading manufacturers provide design assistance, installation guidance, and after-sales service.

Project Scale: Companies like Spina Group and DKC Europe can handle both small and large-scale industrial projects. For direct purchase, it is recommended to contact the manufacturers via their official websites to request quotes, technical specifications, and delivery options.
