Local cable tray manufacturers in Egypt

Overview

We specialize in cable trays in Egypt, cable ladders in Egypt, galvanized cable trays, and galvanized cable ladders.

Key Takeaways

Egypt has several reputable local manufacturers of cable trays, ladders, and related accessories, including Rovana Trade, Sigma Tech, Metal Tech, El Masrya El Almanya, and Al-Yathreb Factory.

Key Manufacturers and Their Offerings

Rovana Trade: Specializes in cable trays, cable ladders, and electrical cable management systems. They provide galvanized trays and ladders, full supply, and installation services across Egypt, with a focus on durable, customized solutions for industrial and electrical infrastructure projects. Sigma Tech: Based in Sadat City, Sigma Tech manufactures cable trays, cable trunks, basket trays, and electrical panels.

They offer high-precision, innovative solutions for industrial and commercial applications, including custom sheet metal fabrication. Metal Tech (MT Tray): Offers perforated cable trays, cable ladders, cable trunks, tray supports, and accessories. Their products are designed for high load capacity and ease of installation, available in painted or galvanized finishes.

El Masrya El Almanya Company: Produces all types of cable trays (perforated, solid ducts, ladders) and accessories, along with metal shelving units. They emphasize high-quality materials, modern machinery, and rapid production for industrial and commercial projects.

Al-

Yathreb Factory: Focuses on metal forming and cable management systems, including trays and ladders. They also manufacture solar energy structures, storage systems, and mechanical supports, using advanced laser cutting technologies for precision. Rovana Trade Factory: Offers hot-dip and cold-galvanized cable trays, basket trays, and ladders, adhering to Swedish-approved standards and electrostatic coatings.

They also provide custom shaping services for iron and stainless steel according to engineering specifications.

Materials and Standards

Most manufacturers in Egypt provide cable trays made from: Mild steel (cold-rolled or electro-galvanized)Stainless steel (SS 304, SS 316)Aluminum (1050 series)These materials are often coated or galvanized to prevent corrosion and meet international standards for industrial and electrical applications.

Locations

Many of these manufacturers are located in Qalyub, Kaliobeya, Giza, and Sadat City, making them accessible for industrial and commercial projects across Egypt.

Summary

For sourcing cable trays in Egypt, Rovana Trade, Sigma Tech, Metal Tech, El Masrya El Almanya, and Al-Yathreb Factory are leading local manufacturers offering a wide range of products, customization options, and installation services. They cater to industrial, commercial, and infrastructure projects, ensuring compliance with quality standards and durability requirements.
