Key Takeaways

Mesh cable trays in Malta typically range from €15 to €50 per meter, depending on material, size, and supplier.

Overview of Mesh Cable Trays in Malta

Mesh cable trays are widely used for organizing and supporting electrical cables in commercial, industrial, and residential installations. They are usually made of galvanized steel, stainless steel, or powder-coated metal, offering durability and corrosion resistance, especially in humid or coastal environments like Malta. Suppliers in MaltaFBP Malta – Offers a variety of cable trays and mesh trays suitable for electrical installations.

They provide both standard and custom sizes, but prices are generally available upon request. Brownrig Supplies – Specializes in galvanized steel cable trays and other mechanical and electrical products. They serve trade and industry clients and can provide bulk pricing for projects.

XO

L Malta – Provides a range of cable trays, including mesh types, with options for different widths and load capacities. Pricing is typically obtained by contacting the supplier directly.

Typical Price Range

Small mesh trays (up to 100mm width): €15–€25 per meterMedium trays (100–300mm width): €25–€40 per meterLarge or heavy-duty trays (over 300mm width, galvanized or stainless steel): €40–€50+ per meter Prices vary based on material, load capacity, length, and supplier. Additional costs may include accessories such as bends, tees, and mounting brackets.

Recommendations

Contact suppliers directly for exact quotes and availability. Consider galvanized or powder-coated trays for long-term durability in Malta's coastal climate. Compare bulk pricing if purchasing for large projects, as suppliers like Brownrig and FBP Malta often offer trade discounts.

By checking with these suppliers, you can obtain the most accurate and up-to-date pricing for your specific mesh cable tray requirements in Malta.
