North Korean Air-blown Optical Cable Manufacturer

Overview

As Taihan Fiberoptics has completed the vertical integration for preforms necessary for optical fiber manufacturing to optical cables, it is the Korea's only manufacturer of preforms and the largest producer of optical fiber. We design and manufacture expanded beam connectors, expanded beam cable assemblies, and custom fiber optic products for harsh environments including military, avionics, marine, mining, oil & gas. In this article, we will introduce five prominent Korean fiber optic cable manufacturers, highlighting their profiles, key products, and innovation efforts. Company Profile: Taihan Fiberoptics Co., based in South Korea, is a leading manufacturer specializing in. (The Korean No. 1 manufacturer) was founded in 1974 as part of Taihan Group, one of the largest cable manufacturers in Asia.
