Oman Aluminum Alloy Tail Fiber Channel Company

Overview

Founded in 2008 as a joint venture between Oman Cables Industry SAOG and Takamul Investments Co SAOC, OAPIL has played a vital role in advancing Oman's industrialization efforts. Oman Aluminium Processing Industries SPC (OAPIL) is Oman's premier manufacturer of Aluminium / Alloy Rods and Overhead Line Conductors. Your browser does not support the video tag. The OARC plant is one of the largest added value projects in the aluminium processing industry in the Sohar. We were pleased to welcome key representatives from our national stakeholders — including the Oman Investment Authority (OIA), Oman Broadband Company (OBB), and the Telecommunications Regulatory Authority (TRA) — to Oman Fiber Optic. They utilize advanced manufacturing technologies and offer a diverse range of over 30,000 products, ensuring high-quality and efficient.
