Price of Galvanized Rainproof Ladder-Type Cable Trays

Overview

Metal Galvanized Ladder Type Cable Trays Shop high-quality metal galvanized ladder type cable trays for reliable and durable electrical systems. Bulk order.

Key Takeaways

The price of galvanized ladder-type cable trays ranges from approximately ₹20 to ₹110 per meter in India, depending on supplier, thickness, and specifications. Price OverviewU-Protec Earthing Private Limited: Starting at ₹20 per meter for basic GI ladder-type cable trays. Super Cable Tray Private Limited: Starting at ₹88 per meter, suitable for heavier-duty applications.

Parmar Metals Private Limited: Starting at ₹110 per meter, offering thicker and more robust trays. These prices are indicative and may vary based on tray thickness, width, length, and additional features such as rainproof coatings or galvanization quality. Bulk orders often allow for discounts or negotiated pricing.

Material and Features

Galvanized Steel: Provides corrosion resistance and durability, ideal for outdoor or rain-exposed installations. Ladder Design: Open rungs allow for ventilation and heat dissipation, while supporting heavy cables. Rainproof Coating: Ensures protection against moisture, extending the tray's lifespan in wet environments.

Supplier Considerations

Contact suppliers directly to confirm availability, delivery options, and bulk pricing. Verify specifications such as width, rung spacing, and load capacity to match your installation requirements. Some suppliers may offer custom lengths or pre-fabricated bends, tees, and risers for complex routing.

For industrial or commercial projects, it is recommended to compare multiple suppliers and request quotes based on your exact specifications to ensure cost-effectiveness and compliance with safety standards.
