Price of Qatar Tray Cable Trays

Overview

Cable Trays Supplier in QatarFind Cable Trays in Qatar. Buy Cable Trays at the best price from Electra, one of the leading suppliers of Cable Trays in Qata.

Key Takeaways

Cable tray prices in Qatar vary by material, size, and duty rating, and are typically provided upon direct inquiry with suppliers.

Suppliers and Product Options

Several leading suppliers in Qatar offer a wide range of cable trays and accessories: Electra Qatar provides cable trays in pre-galvanized and hot-dip galvanized styles, including wire mesh basket trays, cable ladders, and heavy-duty trays with or without covers. They offer accessories such as flat bends, reducers, tees, risers, couplers, and straight sections suitable for residential, commercial, and institutional properties. Installation services are available across Qatar, and all products meet international standards with guaranteed quality.

Triple M Qatar supplies cable trays in pre-galvanized, hot-dip galvanized, stainless steel, and aluminum. They categorize trays by duty: Light Duty (LCT-100), Medium Duty (MCT-120), Heavy Duty (HCT-150), and Very Heavy Duty (VCT-200), with thicknesses ranging from 1. 0 mm to 2.

0 mm and side heights of 50–100 mm. Lengths are typically 2440 mm or 3000 mm, and widths range from 50–1000 mm. Altura Industries manufactures cable trays and ladders for smooth cable pulling, including wire basket and wire mesh systems, with materials designed for harsh environments such as petrochemical and marine industries.

They offer competitive pricing and high-quality products for MEP contractors. Al Qatar / Advance Line Company provides cable management systems for power and data infrastructure across industries, focusing on organization, protection, and streamlined installation.

Pricing Guidance

Prices are not publicly listed online and depend on material, size, duty rating, and quantity. To obtain accurate pricing, it is recommended to submit an inquiry directly through the supplier's website or contact their sales team. Most suppliers, such as Electra and Triple M, respond within 24 hours and can provide quotations and installation options.

Recommendation

For standard cable trays in Qatar: Determine the required duty rating (light, medium, heavy, very heavy) and material (galvanized steel, stainless steel, aluminum). List the dimensions and accessories needed (bends, reducers, couplers). Contact suppliers like Electra, Triple M, or Altura Industries for a custom quotation and installation services.

This approach ensures you receive accurate, up-to-date pricing and products that meet your project specifications.
