Price per unit of Italian metal cable trays

Overview

For standard galvanized steel cable trays, typical OEM/distributor catalog pricing ranges from €18–35 per linear meter for widths of 300–600 mm, while aluminum equivalents range from €25–50 per linear meter, reflecting the premium for lighter weight and corrosion resistance. we inform you that as of January the 1st 2024 the new "2024" price list will come into force both for FEMI-CZ and for Steel Line CMS. □□ For bulk orders or project pricing, the cost can be significantly lower. The main cost driver is the material used in manufacturing: □□ Galvanized steel is the most common. The Italian cable trays market represents a critical component of the nation's industrial and construction infrastructure, serving as the backbone for organized and secure cable management across diverse sectors. Since 1964, the company has supplied high-quality solutions for industrial cable management in energy, infrastructure, and plant engineering sectors. Fireproof Type Electrical Ss 304 Stainless Steel Metal Cable.
