Price quote for secondary distribution boxes in North Africa

Overview

Distribution Boards Shop ARB's range of robust and efficient distribution boards, ensuring reliable power distribution and safety in your electrical setups.

Key Takeaways

Secondary distribution boxes in North Africa typically range in price depending on type, brand, and specifications, with SPN and TPN models from brands like ABT, Schneider, and Second Option being widely available. Types of Distribution BoxesSPN (Single Pole & Neutral): Designed for single-phase systems, suitable for residential or light commercial use. Brands include ABT, Schneider, and Second Option.

TP

N (Triple Pole & Neutral): Designed for three-phase systems, commonly used in industrial or larger commercial installations. Available from the same brands.

Factors Affecting Price

Brand and Quality: Premium brands like Schneider Electric may cost more due to higher safety standards and durability. Material and Build: Boxes made from robust materials or with additional protection features (IP ratings, fire resistance) are priced higher. Capacity and Poles: Larger boxes with more circuits or poles (SPN vs TPN) increase the cost.

Customization and Accessories: Some suppliers offer custom configurations, which can affect pricing. Shipping and Import Costs: Delivery to North Africa may include import duties, taxes, and logistics fees, which vary by country.

Supplier Options

Reliable Electrics Limited: Offers ABT, Schneider, and Second Option distribution boxes with SPN and TPN models.

AR

B Electrical Wholesalers: Provides a range of robust distribution boards suitable for industrial and commercial setups. Local Distributors: For North Africa, contacting regional electrical wholesalers or authorized distributors of Schneider or ABT is recommended to obtain accurate quotes and shipping options.

Recommendation

To get a precise price quote, you should provide suppliers with: Quantity requiredType of distribution box (SPN or TPN)Voltage and current ratingsDelivery location in North Africa Suppliers can then issue a pro-forma invoice or quotation including shipping and any applicable taxes. This ensures you receive an accurate and actionable price for budgeting or procurement purposes.
