## Key Takeaways

Top Korean manufacturers of galvanized cable trays include Brilltech Engineers Pvt. Ltd., Jeetmull Jaichandlall (P) Ltd., and BCH, offering durable, corrosion-resistant cable management solutions.

### Leading Manufacturers

Brilltech Engineers Pvt. Ltd. is a prominent supplier and manufacturer of galvanized cable trays in South Korea. They specialize in hot-dip galvanized steel trays that provide excellent corrosion resistance and durability.

Their trays feature perforated designs for proper ventilation, preventing cable overheating, and are designed for quick installation, making them suitable for industrial, commercial, and power plant applications. Brilltech also offers custom specifications and export services for international projects. Jeetmull Jaichandlall (P) Ltd. is recognized as one of the top 10 galvanized cable tray manufacturers in South Korea.

They provide trays in various sizes, shapes, and finishes, tailored to industry-specific requirements. Their manufacturing facilities use modern equipment and advanced technology to ensure high-quality products. The company emphasizes strict adherence to industry standards and global export capabilities.
