Qatar Pre-fabricated Mesh Cable Tray Manufacturer

Overview

We are the leading cable tray & Wire supplier and manufacturer in Qatar and our objective is to offer high quality products at best price.

Key Takeaways

Leading manufacturers of mesh cable trays in Qatar include Adastra WLL, Altura Industries, Advance Line Cable Management System L. L. C, Electra, and ICMS.

Key Manufacturers and Suppliers1.

Adastra WLL Adastra WL

L specializes in premium cable mesh tray systems and accessories in Qatar. They offer metalico perforated and solid cable trays that comply with international quality standards. Their products are designed for industrial, commercial, and residential applications, providing efficient cable management, heat dissipation, and easy access for maintenance or upgrades.

2. Altura Industries Altura manufactures wire mesh cable trays from high-strength welded steel, conforming to British Standard BS EN 61537. Their open-grid design allows airflow, prevents dust accumulation, and enables cable dropouts at any point.

Altura's trays are widely used in telecommunications, data distribution, and food manufacturing sectors, emphasizing hygiene and flexibility. 3. Advance Line Cable Management System L.

C Located in Birkat Al-

Awamer, Doha, Advance Line produces cable trays, ladders, trunkings, basket trays, and strut channels. Their mesh cable trays are designed for continuous airflow, dust prevention, and compliance with British standards. They cater to large-scale industrial and commercial projects, offering custom solutions and expert guidance.

4. Electra Electra provides a wide range of cable trays and accessories, including wire mesh basket trays. Their products are available in pre-galvanized, hot-dip galvanized, and epoxy-coated finishes.

Electra focuses on durability, flexibility, and proper cable support for residential, commercial, and institutional installations. 5.

ICM

S (Industrial Cable Management System Co) ICMS is a pioneer in Qatar for complete cable management systems, including mesh cable trays, ladders, trunking, and support systems. Established in 2006, ICMS manufactures products to international standards and offers metal coating facilities for high-quality finishes. They are recognized for their reliability, innovation, and customer support.

Considerations for Choosing a ManufacturerStandards Compliance: Ensure trays meet BS EN 61537 or equivalent international standards. Material and Finish: Options include electro-zinc plated, galvanized, or epoxy-coated steel for durability. Customization: Some manufacturers offer custom lengths, fittings, and accessories for complex installations.

Application: Consider industrial, commercial, or specialized sectors like telecom or food processing. Support and Delivery: Evaluate manufacturer's ability to provide timely delivery, installation guidance, and after-sales support. These manufacturers provide comprehensive solutions for mesh cable tray systems in Qatar, suitable for a wide range of electrical and data cabling projects.
