Serbia RoHS Fiber Optic Distribution Box 2 Cores

Overview

FBR-11604 Fiber-Optic Distribution Box, 2-Core FBR-11604 Fiber-Optic Distribution Box, 2-Core is a high quality product by Bud Industries used for electronic enclosure applications.

Key Takeaways

A 2-core fiber optic distribution box in Serbia is available with RoHS compliance, PC+ABS construction, waterproof and dustproof design, suitable for indoor and outdoor FTTX/FTTH networks.

Product Overview

A 2-core fiber optic distribution box is designed to manage and protect optical fiber connections in FTTX or FTTH networks. These boxes are typically made from high-impact PC+ABS materials, providing durability, chemical resistance, and UV protection, making them suitable for both indoor and outdoor installations (GAOTek, CRXCONEC, OTRANS). Certifications and ComplianceRoHS Certified: Ensures the product is free from hazardous substances, meeting European environmental standards.

CE and FC

C Certified: Confirms compliance with safety and electromagnetic compatibility requirements.

REAC

H Certified: Guarantees safety in chemical usage and environmental compliance.

Key Features

Core Capacity: Supports 2 fiber cores, ideal for small-scale deployments or last-mile connections. Return Loss: High return loss (>60dB) ensures efficient signal transmission. Network Compatibility: Works with Wireless LAN, Bluetooth, Wired LAN, GPRS, WiFi, 4G, and 3G networks.

Mounting Options: Can be wall-mounted, pole-mounted, or installed inside cabinets depending on network requirements. Protection: Dustproof and waterproof design, often rated IP65, providing protection against environmental factors. Maintenance: Feeder cables can be placed in a cup joint way for easy handling and maintenance.

ApplicationsFTTX/FTTH Networks: Suitable for connecting optical fibers from the distribution point to end users. Indoor and Outdoor Use: Resistant to UV, chemical exposure, and temperature variations. Data Centers and Telecom Nodes: Can be used in small-scale distribution frames or as part of larger optical distribution systems.

Suppliers and Availability in Serbia

While specific local distributors are not listed in the web results, international suppliers like GAOTek, CRXCONEC, and Bud Industries provide 2-core fiber optic distribution boxes that can be shipped to Serbia. Local telecommunications equipment suppliers may also stock RoHS-compliant fiber optic boxes suitable for FTTX deployment. This type of distribution box is ideal for small-scale fiber deployments, offering durability, environmental protection, and compliance with European safety standards, making it a reliable choice for telecom operators and network installers in Serbia.
