Taiwanese Network Cabinet Manufacturers

Overview

Sheet Metal Fabrication Networking Cabinets□TAIWA Learn how we incorporate a diverse range of hardware and strict quality control to create networking cabi.

Key Takeaways

CLM, CRXCONEC, ANP, and Jaunty-Fabricator are among the leading Taiwanese network cabinet manufacturers.

CLMCL

M is a Taiwan-based manufacturer established in 2000, specializing in network racks, server cabinets, IPC server chassis, and system integration accessories. They offer OEM/ODM services and export products internationally, making them a recognized brand in the global market. Their product range includes standard and customized racks and cabinets suitable for data centers and IT infrastructure.

CRXCONECCRXCONE

C, founded in 1985, produces high-performance network racks, cabinets, copper LAN cables, fiber optic cables, and structured cabling solutions. They provide end-to-end cabling solutions and serve worldwide markets, emphasizing quality and reliability for telecommunications and IT projects.

AN

P (Advanced Networking Products Co., Ltd.)ANP, established in 1994, is known for network cabinets and accessories for data centers and cabling industries. They are recognized for premium quality at competitive prices and are widely used by system integrators, government agencies, hospitals, and schools in Taiwan.

AN

P also offers cabling products (C5E, C6, C6A) and surveillance devices, providing a one-stop solution for networking needs.

Jaunty-

Fabricator Ent. Ind. Co., Ltd.

Jaunty-

Fabricator manufactures a broad range of network and server cabinets, including 19” racks, wall-mount racks, IP55 outdoor cabinets, FTTH cabinets, and control desks. They provide customized designs and comprehensive solutions, including engineering planning, assembly, testing, and installation. Their products are exported globally and are known for innovation and high-quality standards.

Taiwa

Taiwa specializes in custom sheet metal fabrication for network and server cabinets. They focus on precision manufacturing using advanced AMADA cutting and forming technology, producing cabinets that ensure proper cooling, protection from environmental factors, and precise hardware mounting. Taiwa is ideal for customized and complex cabinet designs.

These manufacturers are recognized for their quality, reliability, and international reach, making them prominent choices for network cabinet solutions in Taiwan and abroad.
