Village committee prevents fiber optic cable repair

Overview

Orland Park, IL (December 12, 2025) - At a specially called Village Board meeting on Friday, December 12, 2025, the Village of Orland Park ordered Astound, Abovenet (Zayo Group) and other internet service providers to halt all fiber-optic construction after a surge in. Orland Park, IL (December 12, 2025) - At a specially called Village Board meeting on Friday, December 12, 2025, the Village of Orland Park ordered Astound, Abovenet (Zayo Group) and other internet service providers to halt all fiber-optic construction after a surge in. Fed-up Orland Park residents will not be seeing new fiber-optic lines go in anytime soon. Village officials have ordered an immediate timeout on permits and construction for fiber-optic projects after a wave of complaints and a recent outage that cut power to hundreds of homes. Crews from Astound. ORLAND PARK, Ill. The stop-work order followed a Dec. The committee was established through a collaboration between the Federal Ministry of Works.
