Waterproof Distribution Box Outdoor Model

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65–IP68 sealing against dust, rain, and UV. Built with durable materials, CE & ROHS certified. In outdoor and infrastructure projects, a waterproof electric distribution box ensures reliable and secure power. The guide rail on the internal base can horizontally fix the circuit breaker or other electrical components. Higher intensity, and more durable. Color can be changed as your requirement. Plastic distribution box, color white, surface-mounted box. Outdoor Waterproof Enclosure Box originally developed for modern industrial and residential applications, the TSM series. VIOX HT Series Waterproof Distribution Box: Designed for outdoor use, this electrical distribution box offers IP65-rated protection against dust and water.
