Cable Tray In Latvia, Cable Tray Manufacturers Suppliers LatviaLooking to buy a Cable Tray in Latvia?

Jeetmull Jaichandlall (P) Ltd. is one of the trustwor.

Key Takeaways

Cable trays in Latvia are manufactured by companies such as Brilltech Engineers Pvt. Ltd. and Cable House, offering a range of products for industrial, commercial, and residential applications.

Key Manufacturers

Brilltech Engineers Pvt. Ltd. is a prominent cable tray manufacturer in Latvia, producing a variety of trays including galvanized steel, stainless steel, fiberglass, ladder, perforated, PVC, and mild steel trays. Their products are designed for enhanced cable organization, safety, airflow, and durability, and they provide customized solutions to meet specific project requirements.

The company emphasizes adherence to industry standards and offers installation support and after-sales service. Cable House, established in 1983, is another recognized manufacturer in Latvia. They produce cable trays, hose clamps, cable ties, and industrial connectors, supplying both the national and international markets.

Cable House focuses on customized solutions, high durability, and reliable performance, supported by skilled professionals and quality control measures.

Manufacturing Features

Latvian cable tray manufacturers typically use premium materials such as galvanized steel, stainless steel, aluminum, and fiberglass. Their products are designed to resist corrosion, withstand environmental hazards, and optimize space and airflow. Many manufacturers also provide tailor-made solutions based on size, dimensions, and load requirements, ensuring compliance with international quality standards.

Applications

Cable trays produced in Latvia are widely used in industrial plants, commercial buildings, electrical installations, and infrastructure projects. They support efficient cable management, safety, and long-term durability, making them suitable for both domestic and export markets. In summary, Latvia hosts several capable cable tray manufacturers, with Brilltech Engineers Pvt.

Ltd. and Cable House being notable examples, offering a broad range of high-quality, customizable cable management solutions.
