Where can I find galvanized cable trays in Cambodia

Overview

We offer top-notch Galvanized Cable Trays in Cambodia. These metal trays, coated with a special zinc shield, resist rust and last a long time, even in tough environments.

Key Takeaways

You can find high-quality galvanized cable trays in Cambodia from leading suppliers like Brilltech Engineers and Super Cable Tray Pvt. Ltd., offering durable, corrosion-resistant solutions for industrial and commercial applications. Leading Suppliers1.

Brilltech Engineers Pvt. Ltd. Brilltech Engineers provides hot-dip galvanized cable trays designed for robust performance and corrosion resistance.

Their trays are suitable for electrical, automotive, and construction industries, offering easy installation and long-lasting durability. They also supply GI earthing strips and other cable management accessories in Cambodia. You can contact them directly to request a quote or discuss custom requirements.

2. Super Cable Tray Pvt. Ltd.

Super Cable Tray specializes in galvanized perforated cable trays and accessories. Their products are designed for commercial and industrial structures, including factories, hospitals, airports, and shopping centers. They offer channel-type trays, wire mesh trays, and GI earthing strips, all made from high-quality galvanized iron for corrosion and wear resistance.
