AGO RAC

K: Supplies complete server rack solutions at competitive prices, serving customers nationwide. They can be contacted via sales@agorack.co.id for inquiries and orders. Schneider Electric Indonesia: Offers premium server racks, enclosures, and accessories suitable for both small network closets and large data centers.

Their solutions include advanced cooling systems and cable management options, ensuring efficient and secure IT infrastructure.

Online Marketplaces

Tokopedia: A convenient platform to buy server racks online with options for same-day delivery, free shipping, cash on delivery (COD), and installment payments. Tokopedia features a wide catalog of racks from various sellers, allowing you to compare prices and find the nearest supplier.

Tips for Buying

Determine the type of rack you need (wall-mounted, open, closed, or smart rack) based on your IT setup. Check for additional features like cooling, cable management, and power distribution units (PDUs). Compare prices and delivery options, especially if ordering from online marketplaces.

Contact distributors directly for bulk orders or customized solutions for data centers. By choosing from these distributors or online platforms, you can find a reliable server rack solution that fits your technical and budget requirements in Indonesia.
