Where to buy new fiber optic cable junction boxes

Overview

Find your fiber optic junction box easily amongst the 64 products from the leading brands (HS, LAPP, Cahors, ...) on DirectIndustry, the industry specialist for your professional purchases.

Key Takeaways

You can purchase new fiber optic junction boxes from online marketplaces, specialized fiber optic suppliers, and industrial manufacturers, offering options for indoor, outdoor, wall-mounted, and rack-mounted installations.

Online Retailers

Amazon offers a wide selection of fiber optic junction boxes, including 2-port to 48-port FTTH distribution boxes, wall-mounted and desktop enclosures, IP65/IP67 waterproof models, and boxes compatible with SC, LC, FC, and E2000 adapters.eBay provides options like the PNGKNYOCN 2 Port Fiber Optic Junction Box SC/UPC, with fast shipping and competitive pricing for small-scale purchases. Specialized Fiber Optic SuppliersLANshack supplies termination enclosures, adapter panels, and splice trays for both indoor and outdoor applications. They offer wall-mounted, rack-mounted, and harsh-environment enclosures compatible with multimode and singlemode fibers, including LC, SC, ST, and MTP connectors.

Fiber Savvy focuses on outdoor fiber distribution units for FTTH, FTTB, and FTTC networks, providing enclosures that support multiple adapters and splitters while protecting fiber connections from environmental conditions.

M

E Fiber Optic offers FTTH terminal boxes and fiber distribution boxes with capacities from 2 to 16 cores, suitable for wall or pole mounting, with IP65/IP67 protection and support for fusion or mechanical splicing.

Unitek

Fiber manufactures horizontal and vertical fiber optic splice closures, providing IP68-rated protection for outdoor and underground installations, with capacities ranging from 12 to 1152 cores. Industrial ManufacturersDirectIndustry lists manufacturers like HUBER+SUHNER, LAPP, and Sumitomo Electric, offering wall-mounted, rack-mounted, and DIN rail fiber optic junction boxes with various IP ratings, materials, and splice tray configurations.

NITTO KOGY

O Corporation provides wall, floor, and rack mount splice boxes for high-density fiber management, suitable for industrial and telecom applications. WeUnionFiber offers high-quality FTTH 48-core IP55 fiber distribution boxes for indoor and outdoor use, with stackable splice trays, weatherproof design, and support for mechanical and fusion splicing.

Considerations When Buying

Mounting Type: Wall-mounted, rack-mounted, or pole-mounted depending on installation space. Fiber Capacity: Choose based on the number of fibers and splicing requirements. Connector Compatibility: Ensure the box supports SC, LC, FC, or MTP connectors as needed.

Environmental Protection: IP65/IP67 for outdoor use, UV-resistant materials for durability. Splice Tray Options: Check if the box includes trays for fusion or mechanical splicing. By selecting from these sources, you can find fiber optic junction boxes suitable for residential, commercial, or industrial fiber network installations, ensuring proper protection, organization, and scalability for your fiber optic infrastructure.
