Which Canadian manufacturer makes the best galvanized cable trays

Overview

Explore top cable tray manufacturers in Canada like Superior Tray, Unitray, Graybar Canada, Zip Tray, and Lumen.

Key Takeaways

MP Husky, Superior Tray, and T&B Cable Tray are among the top Canadian manufacturers for high-quality galvanized cable trays, each offering CSA/UL-compliant, durable solutions for industrial and commercial projects.

M

P HuskyMP Husky is a leading supplier of galvanized steel cable trays in Canada, with over 50 years of experience in designing and manufacturing UL, CSA, and NEMA-compliant systems. They offer a wide range of cable tray types, including ladder, wire mesh, and cable bus systems, suitable for demanding industrial, commercial, and nuclear applications.

M

P Husky is recognized for its engineering expertise, custom solutions, and extensive installation experience across multiple industries. Their galvanized trays are known for durability, corrosion resistance, and long-term performance.

Superior Tray

Superior Tray specializes in both standard and custom cable tray systems, including galvanized steel options. Their products are CSA and UL certified, designed for power, control, data, and telecom cables. Superior Tray offers ladder, solid bottom, and perforated trays, with a focus on flexibility, safety, and high performance in commercial and industrial installations.

They are particularly noted for custom-engineered solutions and robust support for large-scale projects.

T&

B Cable Tray (ABB Electrification Canada)T&B Cable Tray manufactures aluminum and steel ladder trays, one-piece trays, and channel trays at their Quebec and Alberta facilities. Their galvanized steel trays are CSA-compliant and can be customized for non-standard lengths, rung spacing, colors, and pre-drilled grounding holes.

T&

B is recognized for fast turnaround times and high service levels, making them suitable for projects requiring both standard and specialized galvanized cable tray solutions.

Recommendation

For industrial-grade galvanized cable trays with extensive customization and engineering support, MP Husky is often considered the top choice due to its long-standing experience, broad product range, and proven reliability. Superior Tray is ideal for projects requiring highly flexible, custom-engineered solutions, while T&B Cable Tray excels in fast delivery and tailored specifications for both Eastern and Western Canada. When selecting a manufacturer, consider project scale, environmental conditions, required certifications, and customization needs to ensure the chosen galvanized cable tray system meets both safety and performance standards.
